

Victor and Victoria's Pet Silhouettes.

A component of this activity will need to be done at home.
Follow the steps on the instructions.

You will need

Torch, tape, black paint, large piece of white paper and a light-coloured piece of cover paper to mount it on.

Instructions

At Home

1. Tape a large piece of white paper to the wall in a dark room.
2. Place the flashlight on a table so that it shines on the piece of paper.
3. Use a helper to hold the dog between the paper and the torch.
4. Trace around the shadow line that the dog makes on the paper.

At school

5. Fill in the shape with black paint and then cut it out.
6. Mount the pet's shape on a light piece of cover paper.
