

Victor and Victoria's Our family pet story.

Using photos or drawings of your family pet and of your family to create a pet story.

You will need

Photographs or drawings of your family pet and of your family, scissors, glue, paper, pens, pencils and staples.

Instructions

- For homework, ask your parents to help you find some photos of your pet and the family.
- Write some simple sentences about your pet.
These could include:
 - Your pet's name, what they look like and how old it is
 - What happened when your pet came home for the very first time?
 - Activities they like to do with their pet
 - Something funny that has happened with your pet.
- Stick the photos or drawings onto the pages.
- Bind the pages into a book using a stapler or hole punch.
- Share the book you have created with your parents.
