

Victor and Victoria's Song lyrics.

"I Love My Dog"

I love my dog
And he's part of my family
But when he's eating
That's right eating
We let him be.
La la la la la la la la

I love my dog
And he's part of my family
But when he's sleeping
Spot on sleeping
We let him be.
La la la la la la la la

I love my dog
And he's part of my family
But when he's sick
Well done sick
We let him be.
La la la la la la la la

I love my dog
And he's part of my family
But when he's tied up
Great work tied up
We let him be.
La la la la la la la la
