## "Victor and Victoria's Safety Song"

If a dog comes up to you  
You know what you have to do

Stand very still

Stand very still

Keep your hands down

Keep your hands down

Stay as quiet as a mouse

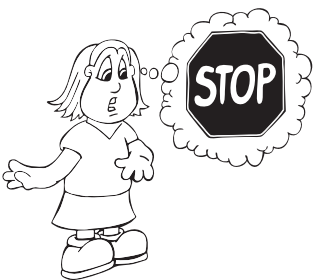

Quiet as a mouse

And look at the ground

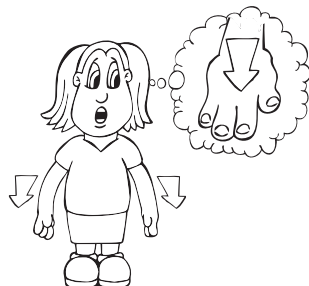

Look at the ground

Wait until the dog has gone away  
Then slowly back up and go on your way

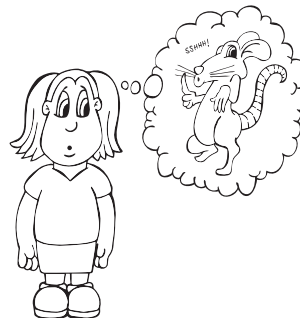

*Repeat*

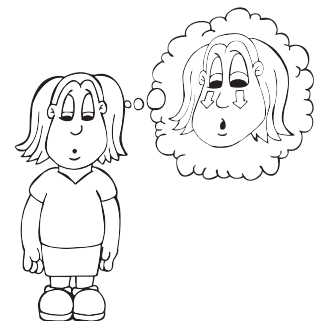

Stand very still

Keep your hands down

Quiet as a mouse

Look at the ground
